

# AGENT ORANGE MEMORIAL

The Utah Agent Orange Veterans Foundation is *raising funds to build a memorial wall to honor the affected veterans*. This memorial will serve as a monument to history, a place to learn about our Nation's past, and to reflect and mourn for loved ones lost.

[AgentOrangeHeroes.org](http://AgentOrangeHeroes.org)

Approximately  
**750,000**  
U.S. Veterans died due to complications related to Agent Orange exposure that's  
**TEN TIMES**  
greater than American fatalities in the Vietnam War.

Our goal is to build a memorial at Sunset City Veterans Park, Utah. We are a 501(c)(3) nonprofit organization
